EDUCATION

Level 5 : FDSC Computing , Jan 2025
Elizabeth School of London - Leicester

- [Foundation Degree] Graduate

Diploma of Higher Education : Technical, 2009
"Astra" Pitesti Romania - Pitesti, Romania

HOBBIES AND INTERESTS

- **Creative activities**: Include painting, music, writing, and graphic design.
- **Outdoor activities**: Include hiking, gardening, and fishing.

PROJECTS & FREELANCE EXPERIENCE

FREELANCE WEB DEVELOPER

- Developed custom websites and web applications for small businesses and personal clients using PHP, JavaScript, and MySQL.

- Provided cross-browser compatible, responsive, and user-friendly designs.

- Managed client communications and project timelines independently.

Custom Garage Auto Parts

Built using HTML and CSS for the frontend, with a structured layout and responsive design. Integrated image assets for visual appeal and created multiple static pages (e.g., services, reviews, contact). A MySQL database was prepared using a .SQL script to support user authentication and data storage in future development.

Event Management Website

Built a dynamic PHP-based web application for managing events and users. Implemented login/signup systems, event CRUD operations, and member management using PHP, MySQL, and HTML/CSS. Designed with a functional UI and backend integration to streamline event administration.

Fixer Upper eCommerce Prototype

Developed a full-featured eCommerce prototype using PHP, MySQL, and HTML/CSS for a hardware retailer. Implemented user authentication, product catalog, shopping cart, and checkout system, with a modular backend and secure database integration.
